

Advanced Task 0-1

- Hello World

Learning to print hello world to Serial Monitor

```
void setup() {  
  Serial.begin(9600);  
  Serial.println("--- Arduino Lab0 Task0-1 Start ---");  
}
```

Hint:

- Hint 1
- Hint 2

```
void loop() {  
  Serial.println("Hello World from Arduino!");  
  delay(1000);  
}
```
